Greetings from your Captain

This is our second newsletter. My how time flies. The IKV Hand of Destiny is actively recruiting so if you know anyone who has the call of the warrior and would like to be part of a Klingon Vessel, contact ENS David Reffitt (aka Darak Nevar) at ikvhandofdestiny@gmail.com. We are working on getting swag for our new ship. So if you have any ideas or suggestions, let

me know. I was thinking of starting out small like slate coasters. But we can do tumblers, shot glasses, etc.. As a ship, I would also like to come up with an idea or two of how we can do a sector wide challenge such as a reading challenge, step challenge or something like that to get everyone more involved. And of course there will be a certificate. Qapla'
