Welcome to the month where we salute presidents, Valentines, and groundhogs — I will be the first to say I probably don't qualify as any of those (well, maybe a Valentine — there's no accounting for taste.) I think we have come up with a box of cinema chocolates that Forrest Gump would agree he never knew what he was going to get. We'll let you decide if any of the movies this month might describe any of the three things we are saluting!
