SFC News

Typically, and previously, the Flagship for the organization would be the ship that FC served on.

I'm changing the tradition. Each year a different ship will be given the honor of flying as Flagship for Quadrant 1.

Without going into too much detail at this time, I will say that it is an Admiralty Board voted position and it will be posted on the website.

The votes are in and tallied for 2022.

USS Indianapolis, is the flagship for Starfleet Command Q1 for the year 2022?

PRAVER

God, when Jesus died on the cross, He made a way for me to spend eternity with You. Thank You for making Yourself the model of sacrificial love. Please show me how to live out this love to the people You place in my life. Give me opportunities to serve others, and help me to do so with joy and compassion. In Jesus' name, Amen.
